BRONZE RAID AWARENESS COURSE07

## Introduction

Elite has earned its reputation as the high value good and gifts sector's training provider of choice due to its truly unique courses which offer real benefits to employers, employees and third parties alike.

Elite's highly experienced Training Team backgrounds derive from the military, the security industry and intelligence based sectors offering not only a profound knowledge of the content they are delivering but also a comprehension of the clientele's business and environment. Elite complements its expertise with passion, energy and a love for what they do.

This enables flawless delivery each and every time and empowers trainee's to gain the comprehension and ability to replicate and deliver learning outcomes in the real world.

The Elite Protection Training Academy delivers the UK's first and only accredited and certified RAID Awareness course. Here we offer tailor-made scenario based training in order that organisations can prepare their staff should the worse happen. This is offered to company's in the high value jewellery, gift and gallery sectors and enables personnel to be prepared in the event of a raid. This course is also complemented by Emergency First Aid at Work.

The Elite Training Academy is an IQ (Industry Qualifications) accredited centre of excellence. IQ is a regulated awarding organisation founded on mutual principles; a focus on quality, transparency and a new approach to the delivery of qualifications.
