

Send it safe with PakSafe.

The safest way to send valuables to
the UK for less than €20 per posting.

Peace of mind in the post

PakSafe is a new premium, secure delivery service to the UK from An Post. It is our most secure service for customers who need absolute assurance that their items will be delivered through a specialised secure delivery network.

PakSafe is ideal for:

- High value items – such as jewellery, tickets, passports, visas and other highly sensitive documents
- High value consignments to high risk UK postcodes

How do you benefit from using PakSafe?

- ✓ Access to a specialised secure mail delivery company based in the UK.
- ✓ You have absolute assurance that every item is signed for at point of delivery.
- ✓ A comprehensive audit trail for every item sent is available to you.
- ✓ PakSafe saves your business from the higher costs charged by other international courier operators.
- ✓ Electronic proof of delivery is available.

How it works

You can order supplies of PakSafe by calling the An Post Business Desk on 1850 262 362.

Each PakSafe (includes a label and pre-addressed outer envelope) costs €18.65 with a minimum order level of 25. Every PakSafe mailer will automatically be insured for up to €2,500.

PakSafes will be delivered to UK addresses within two days of posting. A maximum weight allowance of 500 grams applies to each PakSafe.
